Transformer is proud to present SKETCH, an exhibition investigating how artists develop their work. SKETCH features sketchbooks created by 16 DC based artists working in a variety of different mediums. As part of SKETCH, Transformer will host a series of artist talks, and "draw-ins" led by artist Reuben Breslar. SKETCH audiences are also invited to create their own sketches directly on Transformer's walls to be displayed side by side with the innovative sketchbooks of DC's emerging artists.

In tandem with SKETCH, Transformer is pleased to co-present the DC stop of Brooklyn based Art House Co-op's nationally touring *The Sketchbook Project*, taking place at Hillyer Art Space April 15 & 16. (<http://www.arthousecoop.com/projects/sketchbookproject>)
