MIA FEUER

SUSPENDED LANDSCAPE

March 5 – April 17, 2010

Transformer is pleased to present new work by DC-based artist Mia Feuer, who engages Transformer's project space from floor to ceiling in the creation of a large-scale, site-specific installation of construction cranes and pulley systems. Fabricated from foam and aircraft cable, Mia's brightly colored, intersecting sculptural elements form a "landscape" of impressions that the Winnipeg-born artist encountered during frequent travels up and down the US East Coast.

OPENING RECEPTION: Friday, March 5, 2010, 6 – 8pm

ARTIST TALK: Saturday, March 20, 2pm

TRANSFORMER'S 2009/2010 Exhibition Series is supported by The Andy Warhol Foundation for the Visual Arts, The Eugene and Agnes E. Meyer Foundation, The Morris & Gwendolyn Cafritz Foundation, The CrossCurrents Foundation, The DC Commission on the Arts & Humanities/NEA, and the Visionary Friends of Transformer.
