## *Apricity*

### Annual Winter FlatFile Exhibition

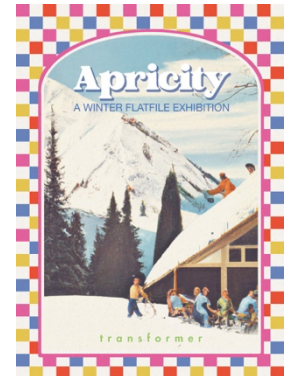

December 16, 2023 – January 13, 2024

Winter Holiday Pop-Up Sale: Saturday, December 16 | 1 – 4 PM

Transformer is pleased to present *Apricity*, a winter exhibition of artworks from Transformer's FlatFile Program.

Launched in spring 2007, Transformer's FlatFile is a growing and ever-changing collection of 400+ works by 40+ artists. All works are 2D, sized 16 x 20 or smaller, and priced at \$500 and below. Created to support a broad range of emerging DC based artists in tandem with their global peers presented in Transformer's Exhibition Series, Transformer's evolving FlatFile collection features original artworks and limited print editions. FlatFile artists receive 70% of all art sale proceeds.

*Apricity* - meaning the warmth of the sun in wintertime - will highlight artworks from Transformer's FlatFile program that convey joyful bursts of color and holiday cheer this winter. Curated by Transformer's Programs and Exhibitions Coordinator Camille DeSanto, *Apricity* is inspired by photographer Slim Aaron's *Snowmass Picnic* photographs made in 1960s Aspen, which depict sunny winter days, bright, cheery pops of color, and gatherings of friends and loved ones.

### Exhibition Programming:

Friday, December 15 | 5 - 7 PM
